

NC State Fair Market Animal Housing Form

It is the expectation that all junior exhibitors be involved in the care of their livestock project(s) during the ownership time frame specified for each species. **Project animals must be housed near enough to the exhibitor to be cared for regularly by the exhibitor.** Market and breeding animals should be housed at the same location. Housing location of project animals entered at the NC State Fair should be the same location as other project animals exhibited by the junior participant throughout the year in county and other local and regional circuit shows. FFA chapter programs and 4-H clubs housing animals at one location can submit one form with names of all participants at that location listed.

All market animal exhibitors need to complete the information requested below and bring the completed form with you to a designated tagging station for market animals if housing them on their own property. **If you are asking for permission to keep your animals somewhere other than a property owned by your family the form should be submitted by May 1 for steers, and July 1 for all other species.**

Forms may be mailed or sent in by email.

Species housed at this location: ___ Market Steer ___ Market Barrow ___ Market Lamb ___ Market Goat

County that you participate in for spring/local show: _____

Why will animal(s) be housed here and what is the exhibitor's plan of care for animal(s):

I acknowledge the youth livestock program's intent is education; as such I will encourage and require the youth exhibiting livestock at the NC State Fair to be extensively involved in the care of their animal(s) housed at my property. I hereby grant NCDA employees and/or those acting on their behalf to make unannounced spot checks on my property to see the(se) animal(s).
